

# Horizontal Grace

Ephesians 2:11-22

## A. Our Extreme Alienation (vv. 11-12)

## B. God's Extreme Solution (vv. 13-18)

## C. Our Extreme Blessedness (vv. 19-22)

### Questions to Consider

- How focused am I/are we on the issue of “who’s in and who’s out”, “who’s up and who’s down”, and “who’s higher and who’s lower”? Where does this thinking come from?
- How does our new acceptance in Christ based on His perfect performance change how we see each other? How we deal with current and past offenses? How close we can be?

### Words to Remember – Ephesians 2:13

*<sup>13</sup> But now in Christ Jesus you who formerly were far off have been brought near by the blood of Christ.*
